Teaching Research of Seven Major Institutions: Developing Characteristics; Leading in Innovation

National Chiayi University is a comprehensive university that was successfully created when the National Chiayi Institute of Technology merged with National Chiayi Teachers College in 2000. Currently, the school has 7 colleges and 39 departments and has also developed student-centered industry-academy collaboration courses, with a focus on applying theories in practice and training fine talents.

International Academic Exchanges and Cooperation: Gaining a Foothold in Taiwan with a Global View.

The school has established sisterhood with major universities in the United States, Japan, France, Germany, and Southeast Asian countries to carry out student exchange, joint degree programs, talent training programs, and other international exchanges and cooperation. It is an excellent institution that has gained a foothold in Taiwan with a global view.

Dedicated to Investing in Teaching Resources: Outstanding Teachers in Pursuit of Excellence.

The school heads the list of teaching resources distributed to every student. More than 90% of its teachers are full-time teachers with a doctoral degree. The school has an excellent learning environment and also boasts qualified teachers who keep pace with teaching and research.

The school with the lowest tuition and fees in the country: Superb quality of life!

The school tuition and fees are the lowest in the country compared to other national public universities and colleges, with affordable tuition and miscellaneous fees. The school also offers accommodation for freshmen students. Additionally, Chiayi is reputed for its local way of life and food, bringing convenience in terms of food, clothing, shelter, and transportation. The living functions are comprehensive, which enable students to achieve learning and growth in a sound environment.

Academic Excellence Awards (For undergraduate departments only)

First Prize: USD96
Second Prize: USD64
Third Prize: USD32

Scholarship/ grant information

Foreign undergraduate student scholarship

NT\$ 30,000/semester

Emergency Assistance Payment

Issued depending on the circumstances

Scholarship for Economically Disadvantaged Students

USD322

Graduate Institute Award, grant

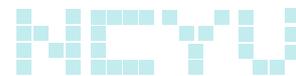

Application guidelines and amounts to be set by respective departments.

Foreign graduate student scholarship

Tuition and miscellaneous fees reduction and exemption scholarship: NT\$8,000-10,000/month

Graduate and Undergraduate Degree Programs

Teachers College

Department of Education(B,M,D)	Department of Physical Education, Health & Recreation(B,M)
Department of Early Childhood Education (B,M)	Department of E-learning Design and Management (B,M)
Department of Special Education(B,M)	Graduate Institute of Mathematics & Science Education (M)
Department of Counseling (B,M)	Graduate Institute of Educational Administration and Policy Development (M)

● **Global Master Program of Teaching Profession (M)** ●

College of Humanities and Arts

Department of Chinese Literature (B,M)	Department of Foreign Languages (B,M)
Department of Visual Arts (B,M)	Department of Music (B,M)
Department of Applied History (B,M)	

College of Management

Department of Business Administration (B,M,D)	Department of Management Information Systems (B,M)
Department of Applied Economics (B)	Department of Banking and Finance (B)
Department of BioBusiness Management (B,M)	Department of Marketing and Tourism Management (B,M,D)

● **Global Master Program of Tourism and Management (M)** ●

College of Science and Engineering

Department of Electrophysics (B)	Department of Biomechatronic Engineering (B,M)
Department of Applied Chemistry (B,M,D)	Department of Civil and Water Resources Engineering (B,M)
Department of Applied Mathematics (B,M)	Department of Electrical Engineering (B,M)
Department of Computer Science and Information Engineering (B,M,D)	Department of Mechanical and Energy Engineering (B, M)
	Graduate Institute of Optoelectronics and Solid State Electronics (M)

College of Agriculture

Department of Agronomy (B,M)	Department of Landscape Architecture (B,M)
Department of Horticultural Science (B,M)	Department of Plant Medicine (B, M)
Department of Forestry and Natural Resources (B,M)	Department of Bioagricultural Science (B,M)
Department of Wood Based Materials and Design (B,M)	Ph.D. Program of Agriculture Science (D)
Department of Animal Science (B,M)	

● **Global Master Program of Agricultural Science (M)** ●

College of Life Sciences

Department of Food Science (B,M,D)	Department of Biochemical Science and Technology (B,M)
Department of Aquatic Biosciences (B,M)	Department of Microbiology, Immunology and Biopharmaceuticals (B,M)
Department of Biological Resources(B,M)	

● **Global Master Program of Life Sciences (M)** ●

College of Veterinary Medicine

Department of Veterinary Medicine (B,M)	Master Graduate Institute of Clinical Veterinary Medicine(M)
