

2015 Chemistry Camp for the Chiayi County Jhuci Senior High School Students (01/21/2016)

This is a one-day chemistry camp specifically designed for the students from the Jhuci Senior High School. Through hands-on experiments, the chemistry camp helped students to promote interest in learning chemistry. Students followed the green chemistry guidelines when doing experiments.

Time	Room 313	Room 314
8:30-11:30	Enzyme-catalyzed chemical reactions Dr. Ching-Yuh Chen	Synthesis and characterization of gold nanoparticles Dr. Kuo-Lung Ku
11:30-12:00	Lunch break	Lunch break
12:00-15:00	Synthesis and characterization of gold nanoparticles Dr. Kuo-Lung Ku	Enzyme-catalyzed chemical reactions Dr. Ching-Yuh Chen
