

KAGAWA
UNIVERSITY

**Detailed Rules for Academic Exchange Agreement
between
College of Life Sciences,
National Chiayi University
and
Faculty of Agriculture and Graduate School of Agriculture,
Kagawa University**

According to the Academic Exchange Agreement between National Chiayi University and Kagawa University ("Academic Exchange Agreement" and "Detailed Rule on Student Exchange Program" concluded by both universities), College of Life Sciences, National Chiayi University and Faculty of Agriculture and Graduate School of Agriculture, Kagawa University (hereafter referred to as the two faculties) have agreed to carry out the mutual exchange of faculty members, staff, researchers, undergraduate and graduate students in accordance with the following detailed rules.

1. College / Faculty Members, Staff and Researchers

The two faculties may accept college / faculty members, staff and researchers who belong to the partner college / faculty and graduate school, to conduct lectures or other educational activities, participate in joint or individual research, or exchange opinions concerning the implementation of these activities.

2. Students

According to the Detailed Rule for Academic Exchange Agreement on Student Exchange Program between National Chiayi University and Kagawa University, each faculty may exchange no more than 3 students per year. However, if more than 3 students aspire to participate in the exchange program per year, this quota may be increased through mutual discussion and consent of the two faculties.

3. Amendment and Termination

These detailed rules may be amended at any time by mutual consent. These detailed rules are valid for 5 years from the signature date, and shall be automatically renewed every 5 years unless one side presents written notice of intention to the other not to renew, 6 months before the date of expiry.

These detailed rules are effective as of 17 / Feb / 2016.
