

Irkutsk State Academy of Agriculture

International Conference

“CLIMATE, ECOLOGY, AGRICULTURE IN EURASIA”

Irkutsk, May 28-30, 2013

FIRST ANNOUNCEMENT

WELCOME ADDRESS

Dear Friend and Colleague,

On behalf of the Organizing Committee it is a pleasure to invite you to participate in The International Conference **“CLIMATE, ECOLOGY, AGRICULTURE IN EURASIA”**. The Conference is designed to bring together participants from the Universities of Europe and Asia to exchange ideas and experience. The conference will also provide an overview of the new technological developments and examine the barriers that must be overcome to advance the cooperation.

From being one of the oldest cities of Siberia Irkutsk is a mixture of old and new influences creating an interesting atmosphere for the Conference. We hope that the beauty of the city, fascinating pages of Russian people's history and our hospitality will make this event pleasant for you. We are confident that it will be an excellent opportunity to meet and interact with leading scientists in a stimulating environment and, hopefully, a pleasant climate.

Sincerely Yours,

Gennady Takalandze

Rector of Irkutsk State Academy of Agriculture

Preliminary Main Topics:

- Climate changeability and agrarian production
- Ecological problems of farming
- Traditions and experience of agrarian production in different areas of Eurasia
- Evaluation technologies of natural factors' influence on getting farm products
- Ecological aspects of agrarian educational system
