CALL FOR PAPERS

The 2022 International Conference on Hierarchical Green Energy Materials (2022HIGEM) is organized by the Hierarchical Green-Energy Materials Research Center, National Cheng Kung University (NCKU), Taiwan. This conference aims to create an international forum, bring together scientists, engineers, and researchers to share and discuss the recent achievement and remaining challenges related to green energy materials. This is also an excellent opportunity to build deep cooperation and promote research in this field.

SUBMISSION GUIDELINES

Rechargeable batteries
(Solid state batteries, Li-ion batteries, etc.)

Carbon neutrality

Solar cells

Supercapacitors

Fuel cells

Others
(Integrated energy systems, Industrial forum, etc.)

Abstract Submission Deadline: December 1, 2021

- Please take note that only online submissions are accepted (please follow the Abstract template).
- Authors of the submitted abstracts must make separate registration for attending the conference by filling in the Registration Form.
- Abstracts are evaluated and selected according to the peer reviews by the scientific committee of the conference and scholars specialized in this field.
