

Course: Chinese Etymology Credit: 2 Hours: 2 Required

Class: 大學部二甲

Instructor: Chen Mao-Jen

I. Target of teaching

The aim of this course is to give students a chance to know the form on the text, the sound, the original meaning. By understanding the analysis and interpretation, we can see the system of ancient life and society, and the meaning of Chinese characters, which brings more depth of understanding. And thus students are able to have a comprehensive language and cultural knowledge and understanding for further studies or clinical education.
