

Course: Selected Readings in Classic Fiction      Credit: 2      Hours: 2

Elective

Class: 中文二

Instructor: Wu ying-Jing

I. Course Objectives:

Classic novel is one of China's cultural assets, students can sense the appreciation of timeless short stories and a wealth of long giant system through communication with the ancients, especially the ancient thinking and feeling and way of life. It will be more clearly direct and comprehensive by presenting by classic novel than by prose poems.
