I. Course Description:

How does Su word do "new eyes and ears of the world?" This is the focus of this course. In the topic of Su word, we will also discuss the beauty of Su's personality. For students to master Su's works and life we are going to read his works which is list by his age. Those works are ranged as Hangzhou through sub-period, a known Missouri, Xuzhou, Huzhou period, and relegation Huangzhou. I will guide students to do report and discussion when they read those works. In the end, we will review Su's influence to Chinese literature.
